

DAS BOOT GAME RULES:

Tradition 1: Once served, Das Boot can NEVER touch the table.

Tradition 2: Das Boot should be drank with the toe pointed UP... but watch out for that air bubble

Tradition 3: Das Boot must be passed around the table for everyone to share

Tradition 4: Das Boot must be flicked once before drinking and once before passing it to the next person... this symbolizes "good luck" for you and for the person next to you

Tradition 5: The last person to NOT finish Das Boot (a.k.a. the person who drinks immediately before the person who finishes it) loses the game

Tradition 6: Once the bier in Das Boot is low enough for someone to finish in one turn, everyone at the table must initiate the ceremonial table pounding for encouragement. Other Essen Haus patrons will follow suit in solidarity.

(Unofficial)**Tradition 7:** Once the bier is gone, order another BOOT! Three boots will earn you a **FREE T-Shirt!**
